A message from Miss Richards...

Welcome back!

What a fantastic first week back we have all had! The sun has been shining, the children have settled unbelievably well and staff are delighted to have a full and busy school once again. We are all getting used to our new lunch and play times, lots and lots of handwashing and creative ways to have assemblies! A particular well done to our new Reception children who have had an amazing start. These children have had very little transition before this week due to current restrictions, but have settled incredibly well.

Thank you for supporting us with our new routines. We have made a few tweaks as the week has progressed and will continue to review our risk assessments and practices. Please can I remind parents that there are 'zones' to collect children at the end of the day and to maintain social distancing whilst you are within school grounds? Thank you to all of the parents who queued so patiently at the beginning of the week at the gate. If the gate is unlocked, please come through and wait on the playground.

Today, children in years 1 to 6 will bring home permissions forms to update our GDPR records. Please can all forms be completed and returned to school by Friday 18th September.

I am sure you will all have very tired children by the end of today after such a busy week! However, I do hope that the children have enjoyed having a sense of normality, seeing their friends and getting back to their learning. I am so incredibly proud of each and every one of them.

Wishing you all a wonderful weekend,

Miss Richards

Young Voices

This year, we have signed up to participate in Young Voices. This is an amazing event which (pre covid!) involves children performing at Sheffield Arena, along with many other children from lots of different schools. Understandably, changes have been made this year but we are very excited to still be a part of the concert.

Children in KS2 (classes 3 and 4) who wish to be a part of our Young Voices choir will be able to sign up for an after school enrichment club led by Miss Richards. There is a delay in starting this club due to current government guidance not allowing any singing in school. In the meantime, Miss Richards will talk to KS2 children about the event and information can also be found through the link below. If your child would like to be involved, please sign them up so we have an idea of interest and so that Miss Richards can plan the most suitable activities for the club, without breaching health and safety guidance.
