

FS Newsletter

21st October 2019

FS1

This week we will continue to focus on our 'Nursery Rhyme Challenge', practising the actions to 'The Grand Old Duke of York' and 'I'm a Little Teapot'. You could encourage your children to show you what they know so far and practise at home. We will be making 'Rice Krispie Pumpkin Treats' using skills of mixing, scooping and moulding.

Maths

Our Maths focus this week is looking at numbers to 10, matching numeral and quantity and comparing two groups of objects. You could encourage your children to notice numerals in the environment and practise their counting skills at home. These observations can be added to Tapestry.

Phonics

In Phonics we will be consolidating our work on Phase 1, aspect 1 phonic skills 'environmental sounds'. This will involve guessing sounds in the box, exploring making our own sounds and playing listening games on the computer. We will continue to recite and act out our nursery rhymes.

FS2

Topic

Our book of the week this week is Room on the Broom. We will be telling the story and practising retelling it from memory. We will be having a go at writing words and caption from the story.

Maths

In maths we are watching the Number Blocks tell the story of the Three little Pigs and the Big Bad Square! We will be looking at different representations of 1, 2 and 3 including a 1p, 2p, £1 and a £2 coin. It would be great if you could reinforce this at home by finding or making the numbers 1, 2 and 3 in different contexts including using coins. We would love to see photographs of this on Tapestry.

Phonics and writing

In Phonics we will be learning the new letter sounds u, r, h and b. We will be practising writing words and captions using these letters and the letters learnt so far. We will be sending home a sheet showing you how we form the cursive letters so that you can practise writing words at home. You can also log on to Letter Join to practise also. The website is letterjoin.co.uk. The log in is: *lj7181* and the password is: *home*.

Enjoy the half term! If you practise any learning with your child over half term we would love to see photographs and a little note about it on Tapestry.

Thank you for your support.
