

Key Stage 1 - Weekly News, w/c 4th November 2019

Year 1

In English, we will be looking at the story of 'The Elves and the Shoemaker' and using drama to create some freeze frames of the story.

In Maths, we will be recapping addition and moving onto word problems.

In topic, we will be exploring different materials in science.

Year 2

In English, we will be learning the story of 'The Elves and the Shoemaker' and beginning to plan our own version.

In Maths, we will be looking at the value of coins and notes. It would be great if the children could have a look at some real money at home and maybe do the pretend shop homework from the grid.

In topic, we will be beginning to look at the properties of different materials in science.

We will be beginning Christmas play rehearsals after half term. We would be really grateful if you could please help your child to learn their lines.

Events:

Thursday 7th November - Year 2, Theatre Costume Workshops in school (no drumming due to this).

Have a great half term!
