

Dear Parents/Carers,

We have had a lovely week in LKS2 with the children starting work on our History project to create a fact file about the Ancient Greeks and lots of exciting science investigations. AS part of the School of Magic and Mayhem the children have been looking at Geography skills and creating a map of Narnia, complete with compass points and 4 figure grid references.

Reminders for this week:

- First spelling test of the term on **Monday**
- PE on **Monday and Thursday**, so please make sure your child has both **indoor and outdoor kit**. Earrings need to be removed before school if children can't do this independently.
- Homework has come home today and is due back in school on **Thursday**. Children who don't have time to complete this at home will have the opportunity to do it on Friday lunchtimes.
- Reading records, initialled to say your child has read at least 3 times, will be checked on **Fridays**. As with homework, any children who haven't been able to do this will be able to read with an adult on Friday lunchtimes.
- **Swimming** - Y4C had a brilliant first session. Don't forget your kit on Friday!

Our other learning includes:

English: information gathering for our Ancient Greek fact file

Reading: The Magician's Nephew by CS Lewis

Maths: Ordering and comparing four digit numbers in Year 4 and addition and subtraction in Year 3

Y4 Science: Electricity

Year 3 Science: Forces and Magnets

Geography: Landscape features - would it be possible to settle in Narnia?

Spanish: learning sentences about the classroom

Events: Friday 20th September NSPCC School Assembly

Kind regards

The LKS2 team
