

Dear Parents/carers,

Y5 will be looking at addition and Y6 will be multiplying and dividing in Maths. In English, both year groups will use their prior work on setting and character settings to help them write an opening narrative. In topic sessions, we will be studying coding, art, dance, geography (maps), history (Vikings) and electricity/properties of materials in Science.

Y5HP will be taking part in Bikeability cycle training on the afternoons of Monday, Tuesday, Wednesday and Friday.

Y6 will continue drumming sessions (with Mr Hinkling from Stomp) on Wednesday and continue each week until half term.

Please ensure that children have correct PE kit in school each day - in particular Wednesday and Thursday (Y5) and Thursday and Friday (Y6).

Thank you for your continued interest and support.

Upper Key Stage 2 Team
