Continue to use attendance policy with clear guidelines of how the school now promotes good attendance including for children eligible for PP improves attendance of PP children

Ensure PP children never miss out on school experiences eg trips due to money.

Overall attendance of pupils 2019/22 was 92.16% compared with 91.4% PP

Overall attendance of pupils 2020/21 was 97.42% compared with 96.89% PP

Alongside, Covid, we continue to support and challenge poor attendance.
