SCHOOL PLAYGROUND FUNDRAISING PROJECT

Playground Project:

FONES are actively fundraising to provide much needed play equipment for our outdoor areas. Currently, there is no fixed outdoor equipment, which limits the options available to our children at playtime.

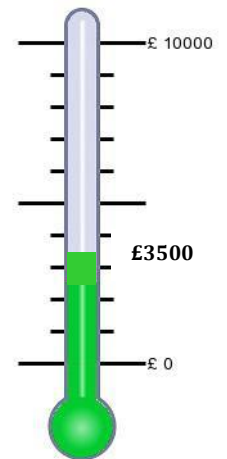

Our aim is to fundraise for playground equipment such as trim trails, sunken trampolines and climbing frames.

Fundraising Target:

This amazing equipment can be purchased in sections and we are able to add to it as the years go on.

In order to purchase and have equipment such as this installed, we are aiming to raise...

£10,000

Sponsorship:

would you like to sponsor a piece of equipment for the playground?

We are looking for businesses who could help contribute towards the cost of a piece of equipment - or anyone who can pledge help towards ground-works and installation.

If you can help in any way, shape or form, we would love to hear from you.
