

# Year 2 Summer

## Me, Myself & I

### Writing:

Write a diary about what we do over a year.

Write an explanation text about the lifecycle of a butterfly.

Write a fact file on interesting plants.

Write our own version of the Disgusting Sandwich story.

Write an information leaflet on how we can stay healthy.

### Reading:

Looking at non-fiction books all about plants.

Exploring the book: A year in the life - to be used as inspiration for our diary writing.

Read various poems linked to our topic

### Class Book:

A year in the life (diary)

The Disgusting Sandwich (story)

### Science:

To label parts of a plant and describe what job they do.

To name different types of plants.

To find out about different lifecycles.

To investigate what plants need to survive and grow well.

To find out how humans can stay healthy.

### S+L:

Poetry performances

### Music:

Listen to music

Prepare for PROMS.

### History & Geography:

To find the countries and capital cities that are in the UK.

To use maps and atlases to find where we live and more about the UK.

### Enrichment & RE:

Explore the question: How do Muslims celebrate religious times?

Can I perform for others?

### PE:

A mix this term of athletics and games.

Athletic skills: jumping, throwing and running.

Games: rounders.

### Computing:

E-Safety

Research about plants

Create fact file on plants and healthy eating.

### Art and Design & Technology:

Real life drawing – taking inspiration from our science using various plants.

Healthy eating – the perfect opportunity to explore cooking and healthy recipes.
