Your account should be kept up to date and not in a significant amount of debt as this could lead to your child/children not being able to access the club until the debt is cleared in full!

I will require a subsidised place as my child receives free school meals.

Teeth Cleaning - *please tick* as appropriate
I will provide my child's own toothbrush in a case.

I do not want my child to clean his/her teeth at school.

Does your child have any food allergies? Yes No
If yes please fill in below.

Continue on a separate piece of paper if necessary

On agreed occasions with members of the breakfast club team, children can bring their own breakfast cereal or cereal bars. These should not be chocolate coated or contain nuts. We do not serve anything which is chocolate coated (we follow the guidelines for School meals - healthy eating standards more information can be found at www.childrensfoodtrust.org.uk/schools/the-standards) or which/may contain nuts, due to allergy sufferers in school who may access breakfast club.

I agree that my child will not be at school before 8:00am for the Breakfast Club and if they are in FS/KS1 an adult will bring him/her to school.

I would like to volunteer to help once a week on a regular basis at the Breakfast Club.
