Dear Parents and Carers

Returning to School in September

The government published its plans yesterday for the return to school for all pupils in September. As you will appreciate, the new guidance is extensive and requires time to thoroughly examine before we can plan effectively. Nevertheless, we know parents will rightly have questions, and as we have done throughout the school closure period, we want to provide you with as much information as we possibly can. Before the start of the summer holidays, our schools will contact parents and carers with more information on the arrangements for returning to school.

The next two weeks are going to be incredibly busy for our schools as they make the necessary preparations for September alongside supporting both children in school and those learning from home. We kindly ask for your continued patience, understanding and support during this time.

The successful reopening of our schools to some groups of children last month was the result of the close collaboration and support that exists between our schools and Pathfinder's central team. Please rest assured that we will be doing everything possible to support our schools as they look forward to welcoming back all pupils in September.

Yours faithfully

Andrew Daly
