	<p>washing, minimising contact with anybody who is symptomatic</p> <ul style="list-style-type: none"> ● Encouragement of social distancing where the age of the group allows. 	<ul style="list-style-type: none"> Classrooms to be set up with children forward facing, they can be sat next to each other. All large gathering to be avoided such as assemblies and collective worship Timetabling should avoid students and staff using corridors, entrances and exits at the same time as another group (Also consider the amount of time needed for cleaning between each group) Timetabling to allow for minimal mixing of groups – lunches and breaks may need to be staggered 	Staff working more closely with vulnerable/SEN children are invited to wear masks which are available to all teachers/TAs	16.9.20

H	<p>Measures for arriving at and leaving school</p> <ul style="list-style-type: none"> Where the building allows arrangements should be made to avoid bringing groups together at the start and end of the day Where this is not possible a staggered start and finish time may be necessary Where children or adults use face coverings to travel to school they must be secured in a plastic bag and taken home 	staggered entrance and exits should decrease risk of parents gathering. Use of car park gates for some groups will also minimise this as well - on parent guidance. Review of start of the day and slight adaptation made including: clearly marked spaces for Y1 and 2 parents so to prevent queue at gate increased signage reminder re timings new washstand ordered	w/b 13.7.20 - parents informed 8.9.20

In these cases individual risk assessments will need to be carried out. ● If parents of pupils with significant risk factors (Clinically Vulnerable, BAME, Obesity and diabetes) are concerned, schools should discuss their concerns and provide reassurance of the measures they are putting in place to reduce the risk in school. Schools should look to identify those who may be reluctant to return. 	<p>Guidance for parents needs to be applied</p> <p>As a school we have a number of BAME - we will need to provide specific guidance on this for these families - Central Team guidance needed</p>	w/b 13.7.20
