

Coronavirus (COVID-19): risk assessment for reopening Pathfinder Schools in September

Name of School: Archbishop Holgate's School

Assessment conducted by: Fn Consulted with: <ul style="list-style-type: none">• SLT,• Ro (Office Manager),• Matt (catering),• Katie (cleaning)• St (Site Manager)• Sam Willsden (MAT)	Job title: Deputy head Recommend weekly until February Half Term or as guidance changes.	Covered by this assessment: Pupils, Staff, Parents, Volunteers, Visitors to school, Contractors Date of next review: 7/2/21
Date of initial assessment: 10/7/20 Last reviewed: 4/1/21	Review interval: Once term has started weekly.	

For the purpose of this risk assessment, we have used the term 'coronavirus' to refer to coronavirus disease 2019 (COVID-19).

Schools must ensure this risk assessment reflects local arrangements within their context.

H	<p>Minimise contact between individuals and maintain social distancing wherever possible</p> <ul style="list-style-type: none"> • Creation of the smallest size bubbles that will allow all children to return to school • All bubbles must operate in isolation from other bubbles • Limit the use of all shared and social spaces between bubbles • Where larger bubbles exist (more than one standard size class) the focus must be on other control measures i.e. cleaning, respiratory hygiene, hand washing, minimising contact with anybody who is symptomatic • Encouragement of social distancing where the age of the group allows. Younger children are not expected to socially distance, however staff must try to 	<p>Please see COVID 19 Section of the staff handbook (attached). 	<p>maintain a 2m distance from children whenever possible</p> <ul style="list-style-type: none"> Where staff need to move between groups they should try to keep their distance from children and staff, ideally 2 metres. Where this is not possible with younger children the member of staff should be risk assessed individually (using the trust RA process) 	<p>3.1, 4, 5, 6</p> <p>DI has added guidance around movement in the classroom. See staff bulletin. Face coverings now being used.</p>		
	<p>Measures within the classroom</p> <ul style="list-style-type: none"> Where the age of the group allows staff should work from the front of the classroom ideally at a distance of 2m from children All classrooms in KS2 and above must have a marked “safe zone” in which the teacher should work from, which allows a 2m distance to be maintained from children. If the teacher needs to leave this “safe zone” it should be by exception and additional PPE should be considered i.e screens/face coverings. In KS2 and above where a teacher does leave their “safe zone” they should continue to observe social distancing at 1m minimum distance for less than 1 minute Teachers should be conscious of cumulative contact time. 15 minutes contact is not defined as 1 period of time but may be amassed throughout the day i.e. 3 x 5 minute close contacts 	<p>Please see COVID 19 Section of the staff handbook (attached). 	<ul style="list-style-type: none"> ● Where 2m distancing is not appropriate adults should minimise the time spent with 1m of anyone and try to avoid all face to face contact – Remembering that contact time is cumulative throughout the day ● All staff working with children with complex needs who need some contact will need to be individually risk assessed, their educational care and support should continue as normal, however each member of staff will require their own RA and as a result potentially different PPE or working location within the classroom ● Classrooms to be set up with children forward facing, they can be sat next to each other. ● All large gathering to be avoided such as assemblies and collective worship ● Timetabling should avoid students and staff using corridors, entrances and exits at the same time as another group (Also consider the amount of time needed for cleaning between each group) ● Timetabling to allow for minimal mixing of groups – lunches and breaks may need to be staggered 	<p>3.2 - Reviewed and extra advice offered. Extra guidance provided to staff on 4/1/21</p> <p>3.2, 8 See SA specific guidance. Extra guidance provided to staff on 4/1/21</p> <p>3.2, 17</p> <p>4</p> <p>4</p> <p>4</p>		
H	<p>Staff shared areas</p> <ul style="list-style-type: none"> ● Staff room use should be minimised as far as reasonable possible, whilst ensuring staff have a reasonable break 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>3.2, 9</p>	Wipes for machines	L

	<ul style="list-style-type: none"> Where staff can take breaks in classrooms or less busy communal areas they should Shared items such as microwaves and kettles need to be regularly cleaned particularly between a crossover of staff from different groups Staff should be mindful of cumulative contact time, 15 minutes can be amassed throughout the day and not necessarily in one period Soft furnished chairs should be allocated to individual groups or replaced with plastic chairs – Staff from different groups should try to remain 2m apart All staff must remain 2m apart at all times, even staff within bubbles Office staff should try to operate to 2m distancing 	<p>Extra guidance provided to staff on 4/1/21</p> <p>3.2, 9</p> <p>Extra guidance provided to staff on 4/1/21</p> <p>3.2</p> <p>Extra guidance provided to staff on 4/1/21</p> <p>3.2, 9</p>		
H	<p>Measures for arriving at and leaving school</p> <ul style="list-style-type: none"> Where the building allows arrangements should be made to avoid bringing groups together at the start and end of the day Where this is not possible a staggered start and finish time may be necessary Where children or adults use face coverings to travel to school they must be secured in a plastic bag and taken home Schools should consider the promotion of face coverings for parents when dropping off and collecting children 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>3.2, 4 - This has been reviewed and Year group timings at the end of the day amended.</p> <p>3.2, 4</p> <p>5, 9 This is being continually reviewed.</p> <p>N/A</p>		L
H	<p>Non-school staff</p> <ul style="list-style-type: none"> Supply teachers, peripatetic teachers and/or other temporary staff can move between schools. They 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>9.9, 6.10 Music plan now completed.</p>	Music teachers to be arranged.	L

	<p>should ensure they minimise contact and maintain as much distance as possible from other staff.</p> <ul style="list-style-type: none"> ● Contractors visits should ideally be arranged outside of school hours, where this can't happen contractors should be made aware of the restrictions of movement in school and comply with 2m distancing ● Peripatetic staff can be used but they must comply with the schools control measures and ensure 2m distancing. In the case of tuition careful consideration must be given to the space being used – small rooms with poor ventilation must be avoided ● Volunteers may be used within consistent bubbles whilst adhering to 2m distancing ● A record of all visitors to school must be maintained which includes there location and if necessary which group they have worked with. 	<p>9.9, 6.10</p> <p>9.9, 6.10</p> <p>9.9, 6.10</p>		
H	<p>Resources</p> <ul style="list-style-type: none"> ● Staff and children to have individual frequently used items such as pens and pencils – These should not be shared ● Classroom resources such as book and games can be shared with a bubble but must not be moved between bubbles ● Some resources can be shared such as sports, art or science equipment. These will need to be cleaned between bubbles or left in “quarantine” for 48 hours (72 hours for plastics) 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>6.3, 6.4</p> <p>6.3, 6.4</p> <p>6.3, 6.4</p> <p>6.3, 6.4</p>		L

	<ul style="list-style-type: none"> ● Soft items such as cuddly toys, Rugs, fabrics, soft furnished chairs etc should remain out of use due to their difficulty in cleaning ● The use of hard to clean items such as play doh and sand pits are discouraged ● Outdoor play equipment can be used but must be cleaned in between bubbles ● Pupils should be asked to bring in the minimum amount of equipment required for the day – such as lunch, coats, books and stationary. Bags are permitted. ● Resources, such as books, can move between home and school but on a limited rotation and only when essential to education and development. ● Where staff share resources i.e. laptops they must be cleaned in between uses ● School uniform does not require cleaning any more than normal and so schools should communicate with parents that uniform is expected from September. 	<p>N/A</p> <p>N/A</p> <p>6.3, 6.4, 13.3</p> <p>6.3, 6.4, 13.3</p> <p>3.2, 6.3, 6.4, 9</p> <p>7.3</p>		
H	<p>Physical activity</p> <ul style="list-style-type: none"> ● Outdoor sports should be prioritised ● Where outdoors spaces cannot be used large indoor spaces can be used. ● All contact sports must be avoided ● Equipment must be thoroughly cleaned between groups ● Schools are able to work with external coaches, clubs and organisations for curricular and extra-curricular activities where they are satisfied that this is safe to do so. 	<p>Please see COVID 19 Section of the staff handbook (attached). H	<p>Where necessary, wear appropriate personal protective equipment (PPE)</p> <p>PPE is recommended in the following circumstances:</p> <ul style="list-style-type: none"> • where an individual child or young person becomes ill with coronavirus (COVID-19) symptoms while at schools, and only then if a distance of 2 metres cannot be maintained • where a child or young person already has routine intimate care needs that involves the use of PPE, in which case the same PPE should continue to be used • Where social distancing cannot be maintained within the classroom, or other location, staff should consider the use of additional PPE 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>3.2, 11, 19</p> <p>3.2, 11, 19</p> <p>Extra guidance provided to staff on 4/1/21</p>		L
H	<p>Responding to an infection</p> <ul style="list-style-type: none"> • All children and staff in school advised not to attend if they are displaying symptoms. Anyone displaying symptoms to be sent home as soon as reasonably possible • Person displaying symptoms to book a test using the online portal – Schools can support if parents have problems using the service. • In an emergency, call 999 if the CYP is seriously ill or injured or their life is at risk. Do not visit the GP, pharmacy, urgent care centre or a hospital • The person display symptoms must self-isolate pending test results. • School to contact central team using covidnotification@pmat.academy regarding any potential cases 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>11</p> <p>11</p> <p>11</p> <p>11</p> <p>11</p>		L

	<ul style="list-style-type: none"> ● In the autumn terms schools will be provided with home testing kits that they can give directly to parents/carers collecting a child who has developed symptoms at school, or staff who have developed symptoms at school, where they think providing one will significantly increase the likelihood of them getting tested. ● Parents and staff will need to inform the school immediately of the test result. ● If somebody tests negative and has no further symptoms they can stop self-isolating and return to school ● if someone tests positive, they should follow the 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection' and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. 	11 11 11 11		
H	<p>Managing confirmed cases of coronavirus (COVID-19) amongst the school community</p> <ul style="list-style-type: none"> ● School to contact central team using covidnotification@pmat.academy who will liaise with the local health protection team regarding the next steps ● The school must work with the local health protection team providing all information requested. School should be able to easily provide the HPT with information of people within the group of the infected person and where appropriate of any additional groups. 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>11 11 11</p>		L

	<ul style="list-style-type: none"> ● The health protection team will provide definitive advice on who must be sent home, all schools must follow this advise ● A template letter will be provided from the HPT to send to parents and staff if required. Confidentiality must be maintained of the names of those with infection not shared. ● Household members of anybody sent home do not need to isolate unless they develop symptoms in which case they should follow ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’. ● Schools do not need to request evidence of negative tests 	11 11 11		
H	<p>Use of dedicated school transport</p> <ul style="list-style-type: none"> ● Where possible children will be grouped together on transport reflecting the bubbles they are in. Where this is not possible the school must maintain records of the separate bubbles the children are operating within. ● Hand sanitiser must be used on boarding and disembarking ● Vehicles will need to be cleaned frequently ● Queues to be organised for boarding ● For children aged 11 and over face coverings may be recommended if others from outside their bubble are on the same transport <p>Use of public transport</p>	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>5.2</p> <p>5.2</p> <p>5.2</p> <p>5.2</p>		L

	<ul style="list-style-type: none"> Schools should try to facilitate timetables to keep travel at peak times to an absolute minimum Schools should encourage parents, staff and pupils to walk or cycle to school if at all possible. Families using public transport should be advised to refer to the safer travel guidance for passengers. The government recognises the significant disruption faced by public transport providers and is working with local authorities to establish local solutions. 	5.3 5.3 5.3, 13.2 5.3		
	<p>Shielding, clinically vulnerable or comparatively increased risk children</p> <ul style="list-style-type: none"> All shielding advice will pause on August 1st and therefore all children, even those who are vulnerable, can return to school some pupils no longer required to shield but who generally remain under the care of a specialist health professional may need to discuss their care with their health professional before returning to school in September (usually at their next planned clinical appointment). In these cases individual risk assessments will need to be carried out. If parents of pupils with significant risk factors (Clinically Vulnerable, BAME, Obesity and diabetes) are concerned, schools should discuss their concerns and provide reassurance of the measures they are putting in place to reduce the risk in school. Schools should look to identify those who may be reluctant to return. 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>10</p> <p>10</p> <p>10</p>		
H	Staff who are clinically vulnerable or extremely clinically vulnerable	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>10</p>		L

	<ul style="list-style-type: none"> ● Individuals who were considered to be clinically extremely vulnerable and received a letter advising them to shield are now able to return to work from 1 August as long as they maintain social distancing. ● Where social distancing is still recommended staff should be able to work remotely or in a position where social distancing can be maintained ● Where all safety precautions are adhered to within the RA clinically vulnerable staff including pregnant woman can continue to work. ● People who live with those who are clinically extremely vulnerable or clinically vulnerable can attend the workplace. ● Where staff may be at comparatively increased risk from coronavirus (BAME, Obesity and diabetes) they should be given the opportunity to discuss their concerns with the Headteacher/HR. Where additional measures can be put in place the school should work to accommodate these. 	10		
H	<p>Deployment of control measures</p> <ul style="list-style-type: none"> ● Schools should arrange sufficient time to train staff in the new ways of working with school ● Parents should receive communication from the school to outline the expectations required from them and how the school day will be different for their child 	<p>Please see COVID 19 Section of the staff handbook (attached). Each element is referenced to the particular section of the handbook.</p> <p>13</p> <p>13</p>		L
H	<p>Estates</p> <ul style="list-style-type: none"> ● School must check that it is building compliant before reopening, in particular ensuring that all water hygiene checks have been reported as safe 	<p>Please see COVID 19 Section of the staff handbook (attached).
