H

Minimise contact between individuals and maintain social distancing wherever possible

- Creation of the smallest size bubbles that will allow all children to return to school
- All bubbles must operate in isolation from other bubbles
- Limit the use of all shared and social spaces between bubbles
- Where larger bubbles exist (more than one standard size class) the focus must be on other control measures i.e. cleaning, respiratory hygiene, hand washing, minimising contact with anybody who is symptomatic
- Encouragement of social distancing where the age of the group allows. Younger children are not expected to socially distance **however staff must try to maintain a 2m distance from children whenever possible**
- Where staff need to move between groups they should try to keep their distance from children and staff, ideally 2 metres. Where this is not possible with younger children the member of staff should be

- Bubble allocation current numbers:

EYFS bubble (62) zoned except at lunch: 111 total.

Y1/2 bubble (49)

Y3/4 bubble (54)

Y5/6 bubble (59)

- Bubbles taught in separate classes. Playtimes staggered with same adult on duty with each bubble.

Bubbles enter school together, in separate queues 2m apart from other bubbles. Open doors from 8:40am, teachers on playground.

L

risk assessed individually (using the trust RA process)

Pupils walk straight into school.

- Separate bubbles for BC and ASC.
- new school rules shared will all pupils and social distancing measures explained, markings to remain on site to guide pupils. Hygiene updates for pupils each day.
- July 17th and 20th staff briefing on the return to school protocol.
- RA available for high-risk pupils.
- Text, email and video reminders to parents of pick up and drop off locations and social distancing.
- Weekly newsletter updates.

- Staff briefing weekly reminding staff of close contact rules:

<1m limit contact to less than 1 minute

1m-2m limit contact to less than 15mins

2m safer distance with no time limit.

Measures within the classroom

- Where the age of the group allows staff should work from the front of the classroom ideally at a distance of 2m from children
- All classrooms in KS2 and above must have a marked "safe zone" in which the teacher should work from, which allows a 2m distance to be maintained from children. If the teacher needs to leave this "safe zone" it should be by exception and additional PPE should be considered i.e screens/face coverings.
- In KS2 and above where a teacher does leave their "safe zone" they should continue to observe social distancing at 1m minimum distance for less than 1 minute
- Teachers should be conscious of cumulative contact time. 15 minutes contact is not defined as 1 period of time

- Where possible, to fit a whole class in, a 2m zone will be made for the teacher to teach from.
- teachers to be briefed on protocol, this is to be explained to children regularly.
- RA sent to MAT.

Where incidents occur. HT to be called in PPE and child's parent to be called to collect.

- rooms will be set up in this style wherever possible. (Not some classes exceed 30 pupils).
- No whole school assemblies.

classrooms to be set up and ready for inspection 17th July-20th July.

share lunch arrangements with staff and NYCC staff.

L

but may be amassed throughout the day
i.e. 3 x 5 minute close contacts

- Where 2m distancing is not appropriate adults should minimise the time spent with 1m of anyone and try to avoid all face to face contact – Remembering that contact time is cumulative throughout the day
- All staff working with children with complex needs who need some contact will need to be individually risk assessed, their educational care and support should continue as normal, however each member of staff will require their own RA and as a result potentially different PPE or working location within the classroom
- Classrooms to be set up with children forward facing, they can be sat next to each other if possible
- All large gathering to be avoided such as assemblies and collective worship
- Timetabling should avoid students and staff using corridors, entrances and exits at the same time as another group (Also

Staff emailed their own risk assessments and briefed (Mon 4th Jan)

Friday assembly will be recorded and shared on a Friday.

- classes to stay in their rooms except for PE which is timetabled. Forest schools is timetabled. Play it forward may only be in bubbles.
- Lunches to be eaten in bubbles. Packed lunch in classrooms. 1 sitting at lunch in bubbles. 2m gap to next bubble where possible.

consider the amount of time needed for cleaning between each group)

- Timetabling to allow for minimal mixing of groups – lunches and breaks may need to be staggered

<p>H</p>	<p>Staff shared areas</p> <ul style="list-style-type: none"> ● Staff room use should be minimised as far as reasonably possible, whilst ensuring staff have a reasonable break ● Where staff can take breaks in classrooms or less busy communal areas they should ● Shared items such as microwaves and kettles need to be regularly cleaned particularly between a crossover of staff from different groups ● Staff should be mindful of cumulative contact time, 15 minutes can be amassed throughout the day and not necessarily in one period ● Soft furnished chairs should be allocated to individual groups or replaced with plastic chairs ● All staff must remain 2m apart at all times, even staff within bubbles <p>Office staff should try to operate to 2m distancing</p>	<ul style="list-style-type: none"> ● staff room used in shifts and wiped down. Staffroom part of the cleaning schedule. + Teachers eat in classrooms. Bring own cups and cutlery. + 2 staff per class, allowing staff to rotate toilet break, drink break. + staff room, allocated chair for teachers during briefing + Dinner supervisors to take one bubble each to allow staff to leave the room. + outdoor play zones: EYFS- paddock Y1/2- play ground Y3- field Y4- field/ MUGA Y5/6 UKS2 playground/ forest schools ● Office staff to maintain current arrangements. All staff to be re briefed on this on 17th and 20th July. ● seating will be plastic covered and replaced or wiped between use. 	<p>L</p>
----------	---	---	----------

H	<p>Measures for arriving at and leaving school</p> <ul style="list-style-type: none"> ● Where the building allows arrangements should be made to avoid bringing groups together at the start and end of the day ● Where this is not possible a staggered start and finish time may be necessary ● Where children or adults use face coverings to travel to school they must be secured in a plastic bag and taken home 	<ul style="list-style-type: none"> ● protocol shared with parents ● Doors open from 8:30am. Lines marked with 2m intervals for each year group. ● video to be shared and sent home ● staggered entry between 8:30-8:50 ● regular reminders sent home to parents. 	<p>new markings to be sprayed</p> <p>new tape to be purchased.</p> <p>ST make videos.</p>	M
---	---	---	---	---

H	<p>Non-school staff</p> <ul style="list-style-type: none"> ● Supply teachers, peripatetic teachers and/or other temporary staff can move between schools. They should ensure they minimise contact and maintain as much distance as possible from other staff. ● Contractors visits should ideally be arranged outside of school hours, where this can't happen contractors should be made aware of the restrictions of movement in school and comply with 2m distancing ● Peripatetic staff can be used but they must comply with the schools control measures and ensure 2m distancing. In the case of tuition careful consideration must be given to the space being used – small rooms with poor ventilation must be avoided. All instruments bar wind can be resumed, a decision on group lessons is TBC 	<ul style="list-style-type: none"> ● music lessons to be held in the studio to allow 2m rule to be adhered to. ● office to be briefed on this again. Follow same protocol as currently operating. ● reading volunteers and immersion day visitors to stick to 2m rule. Space will be provided with plastic seating for these. ● Office staff to be briefed on this new requirement for location. 	<p>add plastic chairs at 2m in the entrance hall.</p> <p>Set up piano in studio.</p> <p>set up reading zones for volunteers. DHT to briefvolunteers using the staff guide.</p> <p>LH- design new sign in sheet to add location.</p>	L
---	---	--	---	---

- Volunteers may be used within consistent bubbles whilst adhering to 2m distancing
- A record of all visitors to school must be maintained which includes their location and if necessary which group they have worked with.

H	<p>Resources</p> <ul style="list-style-type: none"> ● Staff and children to have individual frequently used items such as pens and pencils – These should not be shared ● Classroom resources such as book and games can be shared with a bubble but must not be moved between bubbles ● Some resources can be shared such as sports, art or science equipment. These will need to be cleaned between bubbles or left in “quarantine” for 48 hours (72 hours for plastics) ● Soft items such as cuddly toys will remain out of use ● In EYFS playdoh will be made up in named pots and resources steam cleaned after use ● Sand will be avoided or changed daily as per EYFS guidance ● Outdoor play equipment can be used but must be cleaned in between bubbles and hand washing in place before and after use. ● Pupils should be asked to bring in the minimum amount of equipment required 	<ul style="list-style-type: none"> ● order individual pencil cases (clear) for additional pupils. ● steam cleaners to be used on fabric areas such as cushions at the end of each day. ● outdoor cleaning kit to be situated at the office. ● book bag and PE bag only. ● cleaning kits in class for wiping equipment. ● sheet fabric to be washed at the end of the day. ● strict cleaning schedule for soft furnishings such as: rugs, fabrics and cushions. See Appendix 2. ● Smaller trays of sand to be used. Named pots of Playdoh. ● outdoor play baskets to be assigned to each bubble. Baskets will be cleaned daily. ● each year group in ks1 to have own library of book bands. Between inter-bubble use 72 hrs 	<p>cleaning kit set up at the office.</p>	L

for the day – such as lunch, coats, books and stationary. Bags are permitted.

- Resources, such as books, can move between home and school but on a limited rotation and only when essential to education and development. Book isolation system set up.
- Where staff share resources i.e. laptops they must be cleaned in between uses
- School uniform does not require cleaning any more than normal and so schools should communicate with parents that uniform is expected from September.
- Soft furnishings to be washed weekly or isolated in the hygiene suite for 72hrs.

will be used to isolate books. Book changing day Thursday and re issued on Mondays to bubbles. Used books enter a 'used book' box to be stored for 72 hrs.

H	<p>Physical activity</p> <ul style="list-style-type: none"> ● Outdoor sports should be prioritised ● Where outdoors spaces cannot be used large indoor spaces can be used. ● All contact sports must be avoided ● Equipment must be thoroughly cleaned between groups ● Schools are able to work with external coaches, clubs and organisations for curricular and extra-curricular activities where they are satisfied that this is safe to do so. 	<ul style="list-style-type: none"> ● timetabled PE sessions indoors and outdoors ● cleaning kit to be locked in the PE equipment cupboard for wiping down. ● Mark Wood to work in school only to avoid multiple companies accessing school. M Wood to be briefed on 17th/20th July with school staff. ● clubs to be run by school staff. 	<p>JP/ JC to provide timetable.</p>	L
---	--	--	-------------------------------------	---

H	<p>Where necessary, wear appropriate personal protective equipment (PPE)</p> <p>PPE is recommended in the following circumstances:</p> <ul style="list-style-type: none"> • where an individual child or young person becomes ill with coronavirus (COVID-19) symptoms while at schools, and only then if a distance of 2 metres cannot be maintained • where a child or young person already has routine intimate care needs that involves the use of PPE, in which case the same PPE should continue to be used. • Where social distancing cannot be maintained within the classroom, or other location, staff should consider the use of additional PPE 	<ul style="list-style-type: none"> • equipment well stocked • RA in place • Positive handling plans updated • PPE available at key points across school: <p>+lower disabled toilet area</p> <p>+EYFS</p> <p>+HT office</p> <p>+cleaning cupboard</p> <ul style="list-style-type: none"> • staff briefed on protocol 	M

increase the likelihood of them getting tested.

- Parents and staff will need to inform the school immediately of the test result.
- If somebody tests negative and has no further symptoms they can stop self-isolating and return to school

if someone tests positive, they should follow the '[stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection](#)'

<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

- and must continue to self-isolate for at least 7 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste.

School will contact Public Health and follow all guidance received by the councils risk assessment.

H

Managing confirmed cases of coronavirus (COVID-19) amongst the school community

- School to contact central team using covidnotification@pmat.academy who will liaise with the local health protection team regarding the next steps
- The school must work with the local health protection team providing all information requested. School should be able to easily provide the HPT with information of people within the group of the infected person and where appropriate of any additional groups.
- The health protection team will provide definitive advice on who must be sent home, all schools must follow this advise
- A template letter will be provided from the HPT to send to parents and staff if required. Confidentiality must be maintained of the names of those with infection not shared.
- Household members of anybody sent home do not need to isolate unless they develop symptoms in which case they should follow [‘stay at home: guidance for](#)

- groupings lists to be shared and stored at the office. Including adults working in the bubble and volunteers/outside agencies.

M

households with possible or confirmed coronavirus (COVID-19) infection'.

- Schools do not need to request evidence of negative tests

seek copy of letter

H	<p>Use of dedicated school transport</p> <ul style="list-style-type: none"> ● Where possible children will be grouped together on transport reflecting the bubbles they are in. Where this is not possible the school must maintain records of the separate bubbles the children are operating within. ● Hand sanitiser must be used on boarding and disembarking ● Vehicles will need to be cleaned frequently ● Queues to be organised for boarding ● For children aged 11 and over face coverings may be recommended if others from outside their bubble are on the same transport <p>Use of public transport</p> <ul style="list-style-type: none"> ● Schools should try to facilitate timetables to keep travel at peak times to an absolute minimum 	<ul style="list-style-type: none"> ● no use of public transport for pupils. ● no off site school trips for the foreseeable future. 	L	
---	---	--	---	--

- Schools should encourage parents, staff and pupils to walk or cycle to school if at all possible.
- Families using public transport should be advised to refer to the [safer travel guidance for passengers](#).
- The government recognises the significant disruption faced by public transport providers and is working with local authorities to establish local solutions.

Shielding, clinically vulnerable or comparatively increased risk children

- All shielding advice will pause on August 1st and therefore all children, even those who are vulnerable, can return to school
- some pupils no longer required to shield but who generally remain under the care of a specialist health professional may need to discuss their care with their health professional before returning to school in September (usually at their next planned clinical appointment). In these cases individual risk assessments will need to be carried out.
- If parents of pupils with significant risk factors (Clinically Vulnerable, BAME, Obesity and diabetes) are concerned, schools should discuss their concerns and provide reassurance of the measures they are putting in place to reduce the risk in school. Schools should look to identify those who may be reluctant to return.

- collect a list of families known to be shielding

Create a list of those likely to be reluctant to return.
(complete)

L

H	<p>Staff who are clinically vulnerable or extremely clinically vulnerable</p> <ul style="list-style-type: none"> ● Individuals who were considered to be clinically extremely vulnerable and received a letter advising them to shield are now able to return to work from 1 August as long as they maintain social distancing. ● Where social distancing is still recommended staff should be able to work remotely or in a position where social distancing can be maintained ● Where all safety precautions are adhered to within the RA clinically vulnerable staff including pregnant woman can continue to work. ● People who live with those who are clinically extremely vulnerable or clinically vulnerable can attend the workplace. ● Where staff may be at comparatively increased risk from coronavirus (BAME, Obesity and diabetes) they should be given the opportunity to discuss their concerns with the Headteacher/HR. Where additional measures can be put in 	<ul style="list-style-type: none"> ● Pregnant staff to be offered alternative roles if possible to minimise classroom contact (28-40 weeks+) ● RA meetings in July with 2 staff currently working off site with shielding letters ● Discussions will be centred around RA provision. 	<p>Book meetings for 17th/20th July</p>	L

Extra-curricular provision

- Breakfast and after school clubs can be operated. Children must be pre booked and there will be no provision for drop ins/ late bookings.
- School must keep accurate records of the secondary bubble of any child
- Where possible clubs will try to accommodate separation for existing bubbles
- Club group sizes will need to be consistent with the maximum bubble size permitted within the school.
- Risk assessments must be carried out for out of school provision – Schools should use the guidance [Protective measures for out-of-school settings during the coronavirus \(COVID-19\) outbreak](#)
- Parents should be advised to limit their use of wrap around providers and only use when essential. **Parents to be encouraged to limit their number of bubbles.**
- If parents use non school based childcare they should inform the school so they can keep records of additional mixing –

- bookings to be made by Wednesday of the week prior to booking request as per current arrangements
- ACS register to note Year group bubble in addition to ASC.
- Clubs to run in bubbles as per current arrangements.
