Pathfinder

Multi Academy Trust

The White Rose Federation

One family, branching out together

Our schools are part of The White Rose Federation, which joined Pathfinder Multi-Academy trust in November 2024. Our Federation sits within the Trust as a formal partnership between four local schools. Our staff care deeply for our children and we aim to ensure that we do the very best that we can for our children.

The schools in our Federation are Barlow Church of England Primary School, Burton Salmon Community School, Chapel Haddlesey Church of England Primary School and Hensall Community Primary School. We tend to think of ourselves as one school across four sites. We share our training and staff meetings together, utilising each other's strengths to get it right for the children in our schools.

Suzanne Keeler leads the schools as Executive Headteacher and each school also has a head of school at each site, with whom you will be able to work in close partnership. Three of our schools also have the same structure so you will be able to work alongside other TAs and teachers who are teaching the same curriculum so you won't be alone!

To flourish here you must be professional, committed, ambitious – for yourself and the school, fair and open to working with others. You also need to be a genuine 'team-player'. We stand by this as continued school improvement can be a tough journey and supporting one another is imperative. We work at pace and challenge each other to be the best that we can be; the new staff member who joins us must mirror this.

I hope that our advert has piqued your curiosity and you'd like to find out more as we may just be your 'cup of tea'! While an advert can tell you the basics, a visit reveals our true character. We invite you to reach out and arrange a time to see our schools firsthand. It would be a pleasure to meet you, discuss your career path, and explore whether our community is the right fit for your future

Extracts from official reports:

"Leaders are very ambitious for all pupils. They ensure that pupils know what life is like in the wider world, beyond the village. Leaders are using the strengths in the federation to share teaching skills and experiences. This ensures that teachers get development opportunities they otherwise would not receive"

"Leaders invest time, support and care in all adults and pupils. This is deeply cherished by all, leading to an aspirational culture which pervades throughout the school."

"The vision of 'one family branching out together' underpins, and strengthens, the impact of the federation on the school community. Each member is personally invested in the school."

"Staff are proud to work at the school and say leaders consider their well-being."

"The school has an effective and timely system to identify the needs of the pupils with SEND. Teachers set appropriate targets for pupils. The school monitors the targets to ensure that pupils are making progress. "

"Working collaboratively significantly supports the school's expertise to provide an ambitious curriculum. The curriculum has different cycles to meet the needs of the mixed-age classes. This ensures that pupils do not repeat topics and learning builds over time."

"The school's ethos is rooted in the nurturing of positive relationships while fostering independence and resilience. This is captured in its vision of, 'one family, branching out together'."
